For Sale by Owner Boat Show (FSBO) / Marine Swap
 A "For Sale by Owner" boat show for the individual boat buyer and seller is set for **Saturday and Sunday, April 25 and 26**, at the Port Ludlow Marina. The show will feature privately owned boats in the water and on trailers and will be open each day from 9:00 a.m. to 4:00 p.m.

The "FSBO" show is not open to brokers; however, individual owners whose boats are listed with brokers are welcome to show their own boats. Boat owners should come to the show prepared to stay with their boats during both days to answer visitor's questions. Sellers should provide a flyer to explain the virtues of their vessel.

This show will also feature a Flea Market / Marine Swap held under the covered pavilion at the Marina. There will be a \$15 fee per 10-foot by 10-foot area.

Boat owners not presently moored at Port Ludlow, but wanting to show their boats, will pay a \$20 fee plus their moorage. Current permanent Marina tenants, trailer boats, dinghies and kayaks on the shore will pay a \$20 fee per boat for participating. Boaters must make advance reservations to be guaranteed a spot to show their boat. To ensure space at the Boat Show, make reservations by calling the Marina at 437-0513 or 800-308-7991.

These courses, from our Boating Skills Series being offered this spring, are hands on and emphasize skills needed for Northwest boating.
