

Emergency Management Committee

UNDER YOUR BED

In Case of a Disaster

- 1. Hat – old bicycle helmet or hardhat – protect your head from falling debris**
- 2. Shoes – hiking type – to protect your feet from broken glass**
- 3. Gloves – leather or garden – to protect your hands from broken glass or other stuff**
- 4. Crowbar – or claw hammer – to enable you to open door or window to get out**
- 5. Flashlight – batteries out so they do not corrode the flashlight – disasters usually at night, but it is still dark when one happens during the day!**
- 6. Steps Immediately Following Disaster flyer – so you do not have to think about what to do in the heat of an event.**
- 7. OK-HELP Signs – for you to post on Garage Door or Front Door or Window – wherever most visible from street.**
